While watching TV, press to tune to channels you have watched recently.

Diamond Button
Press and hold this button to turn closed captioning on and off, launch Netflix®, turn on picture and picture, and more.

Double-Diamond Button
You can press and hold this button to personalize it, too!

Whenever you see this icon, press and hold INFO/HELP on your remote to access additional assistance on your TV.
Home

It’s your starting point for quickly discovering what’s on now and what’s coming up next.

Access the Home Screen
To access the Home screen, press HOME on your remote.

Content Tabs
Content tabs help you quickly find the programming you’re searching for – from sports to shows and movies.
Guide

See What’s On Right Now and What’s Coming Up In the Next Nine Days
The Wally’s high-definition guide comes complete with full listings for all your channels.

Access the Guide

- Press GUIDE on your remote control.
- Use CHANNEL UP and CHANNEL DOWN to navigate, or enter a channel number to go directly to that channel.

Customize the Guide

When in the Guide, simply press the OPTIONS on your remote to customize your Guide experience:

- **Create Favorite Channel Lists** – Every member of your family can create their list of favorite channels so only those channels appear when browsing in the Guide.
- **Only See Channels You Subscribe To** – Display all DISH channels or just the channels you subscribe to with the All Subscribe option.
- **Access Your Guide Settings** – With the Guide Settings option, you can make text larger, change the order networks are listed, hide adult channels, and more.

Get the lowdown on creating a Favorites list at [youtube.com/user/dish](https://youtube.com/user/dish)
Guide Shortcuts

1. **SKIP FORWARD** on your remote skips forward 2½ hours at a time.*

2. When you press and hold **SKIP FORWARD**, it advances the guide 24 hours at a time.*

3. Press **INFO** to see more program details.

4. For fast channel-surfing, press and hold **CHANNEL UP** or **CHANNEL DOWN**.

5. To return to Live TV, press **BACK/LIVE TV**.

6. To record a program, press **SELECT** for recording options.

7. When you see a “+” next to a channel, you have additional channel options to choose from. Press **SELECT** on your remote to expand and collapse those channels (for example, Channel 99 includes more than 70 channels of SiriusXM).

8. Make the font larger by pressing **OPTIONS** on your remote and selecting Guide Settings, then Larger Text.

*NOTE: This reflects when the Guide is set to the default font size of Small.

**QUICK TIP**

Press **HOME** twice and select **SETTINGS > GUIDE SETTINGS** to switch between Classic and Modern themes for your Guide.
Welcome to Mission Control

Think of the Menu as the command bridge of your Wally. It’s where you browse entertainment, personalize settings, manage your account, and more.

The top of the screen serves as your orientation guide. The gray tab shows what content category you are currently in. In the middle of your screen, use your remote to highlight the feature you wish to access and press SELECT.

On Demand
Instantly watch your favorite shows and movies. All 20,000 of them. On Demand allows you to watch thousands of movie titles and TV series whenever you want. It’s sorted into content shelves, which group content into convenient categories such as Free Movies, Movies for Rent, Content For Kids, and more.

Watching On Demand requires an internet-connected Wally.

Why Use On Demand?
“I’ve got a specific program in mind.”
Search for a movie or TV program directly and browse the results in your On Demand library.

“I have no idea what to watch.”
That’s no problem, you can browse thousands of titles until something jumps out at you!

“I have a general idea of what to watch.”
Or, for more generalized categories, access On Demand and browse our preset categories.

Four Ways to Access On Demand
1. Press HOME on your remote, then select ON DEMAND.
2. Search for a movie, show, actor, or general theme.
3. Go to Channel 1 or Channel 501.
4. When in the Guide, some channels have their own On Demand option, which displays all the programs and features available.

QUICK TIP
Some programs displayed on the Guide will have a “play button” icon, which allows you to start playing from the beginning.

PERSONAL & ACCOUNT
"I want to personalize my Wally, just like my smartphone."

"Now you can. Customize the appearance of your guide, set up parental controls, program your remote, and more."
Here’s a deeper dive into your settings, where, just like a smartphone, you can customize your Wally according to your personal preferences. Use your remote to highlight the setting that you wish to access and press **SELECT**.
Parental Controls
Wally gives you all sorts of options when it comes to establishing control over what programming and channels are accessible to everyone in your house.

Setting Up Parental Controls

1. Press HOME twice on your remote and select Settings, then Parental Controls.
2. Select your desired restrictions from the options on screen.
3. Before you can add restrictions, you will need to create a four-digit passcode. While parental controls are on, this passcode must be entered whenever you wish to access restricted video content, channels, or apps.

Here are just a few of the things you can customize:

- Restrict purchases
- Hide adult programs
- Lock specific channels
- Hide locked channels from your guide
- Restrict TV or movie ratings
- Limit what apps your kids can access
- Protect kids from coarse language, sex, and violence
- Allow kids to watch only what’s suitable for their age
